2010-2011 GRADUATE STUDENT CHECKLIST FOR FINANCIAL AID

In order to receive Federal or State financial aid, Graduate students need to complete the following steps:

- File the Free Application for Federal Student Aid (FAFSA)** through the Internet (www.fafsa.ed.gov). **Salem's Title IV School Code is 002960.** Be sure to keep records and note the date you submitted the form. FAFSA on the Web worksheets are available at the Financial Aid Office, your local library, area high schools, and the Graduate Office. You must reapply for aid each academic year. January 1 is the earliest date students can submit the FAFSA for the next academic year, and the priority filing date is March 1.
 - PLEASE NOTE: If you are in the MAT Program Phase 1 you must complete your FAFSA as follows to be eligible for Federal Student Aid. (If these questions are not answered correctly it could result in a change in your federal aid eligibility.)** The correct responses to input on your FAFSA are:
 - Grade Level - 5th year undergraduate
 - Program - Teaching Credentials
 - Working on Masters? No
 - Be admitted as a degree-seeking student to Salem College.** Special students or visiting students *cannot* receive aid.
 - Take at least three credit hours per semester while in attendance at Salem.** Three credit hours per semester are considered half time for graduate students, and half-time status is the minimum standard for receiving financial aid. Summer attendance is optional, and only leftover aid from the preceding academic year will be available for summer school. The summer school application must be completed before April 15 each year if you plan to attend summer school. If you are a new student applying for summer aid, you can receive aid. For more details, please contact the Financial Aid Office. To be considered a full-time student, you must be enrolled in a minimum of six credit hours.
 - Complete the North Carolina Legislative Tuition Grant (NCLTG) form once each academic year ONLY if you are in Phase 1 of the MAT Program.** If you are in nine credit hours for either Fall or Spring semesters, you may be eligible to receive a prorated grant amount as determined by the state. If you meet ALL of the following criteria, you may be eligible for the NCLTG:
 - a. You are a U.S. citizen or resident alien;
 - b. You are enrolled in at least nine credit hours at Salem College;
 - c. You are enrolled in Phase 1 of the MAT Program ONLY; and
 - d. You have been a North Carolina resident for at least one year.
- The State of NC Legislature determines the amount and enrollment requirements for the NCLTG each year in the yearly state budget. The determination for 2010-2011 has not been finalized by the state. Once they notify our office of the amount we will update Financial Aid awards to reflect the accurate amount. Please remember this amount can change each semester, not only year to year.*
- Keep Salem College abreast of any changes in your name or address.** Notify the Graduate Studies Office, the Financial Aid Office, and the Registrar's Office of any such changes.
 - Respond promptly to all requests for information.** Open and read any correspondence you receive from Salem College and from all other agencies such as the U.S. Department of Education and student loan lenders.
 - If you are a student loan borrower, you must complete a new Master Promissory Note (MPN) and Entrance Counseling for Fall 2010. **This is a requirement from the federal government for all students. If you do not complete both pieces, your loan funds will not disburse to Salem College.** Please visit www.studentloans.gov to complete the Master Promissory Note (MPN) and Entrance Counseling.

Failure to complete paperwork or other required tasks in an appropriate manner may delay or cancel your award.

If you have questions, ask! Please read the Frequently Asked Questions section on the back!

FREQUENTLY ASKED QUESTIONS

What happens after I submit my FAFSA form to the U.S. Department of Education?

January 1 is the first date you can submit a FAFSA for the Fall Semester. It usually takes 7-10 days after you submit your FAFSA over the Internet for the U.S. Department of Education to process your FAFSA. The Salem College Financial Aid Office will receive your processed information electronically. Look at the processed data carefully, and if you need to make corrections, send or bring the corrected Student Aid Report (SAR) to the Salem College Financial Aid Office. We will process your corrections electronically and will get a new transaction showing the changes. You will also receive an acknowledgement form when the changes are made.

Once Salem receives your processed FAFSA data, we must review your eligibility for financial aid. Other documents may be required at that time, and if they are, we will send you a letter telling you what we need next. Please keep in mind that we may need other things even after we send you one letter; if we do, you will get a new letter or email. Reasons for other documents include Federal verification of your FAFSA, problems with your name or Social Security Number, or problems with residential status. Types of documents that we may need include (but are not limited to) signed copies of the student's (and spouse's, if married) most recent Federal tax return and W-2's, copies of Social Security Cards, and copies of legal separation papers. Please note that we must have all of your documents completed correctly before an award can be made.

What is the time frame for processing my application?

Once Salem receives your processed FAFSA and any necessary documentation, your application will be reviewed. If you applied by March 1, your application will be processed prior to the end of the Spring Semester. If you applied after March 1 but before May 1, we will process your application by July 1. Applications submitted after July 1 can expect at least a five- to six-week turnaround.

We will notify you by mail of your award. When you receive your award letter, you should review all information carefully and submit any required forms. If you are a student loan borrower, you must also complete a new Master Promissory Note (MPN) and Entrance Counseling for Fall 2010. **This is a requirement from the federal government for all students. If you do not complete both pieces, your loan funds will not disburse to Salem College.** Please visit www.studentloans.gov to complete the Master Promissory Note (MPN) and Entrance Counseling.

When will funds be available?

If your award is made prior to the beginning of the semester, Federal Pell Grant funds, NCLTG, and Federal Direct Loan funds will be automatically posted to your account after the end of drop/add. **No financial aid will be posted to your student account prior to the end of the drop/add period (approximately one week after classes begin). After drop/add ends, the Business Office assesses charges and issues refund checks if students are eligible for a refund. Refund checks are available two weeks after the end of drop/add in the Business Office at Salem College.**

What if I apply for aid after mid-July? Will my charges be deferred?

The Financial Aid Office must officially notify the Business Office of any pending awards. Because processing time during July and August is extremely limited, the Financial Aid Office cannot guarantee that your funds will be ready or that the Business Office can defer your charges until funds are available. Please be prepared to pay outstanding charges (less the NCLTG or the Salem Grant, if you qualify) until your financial aid is awarded.

What if I have other questions?

Please contact the Financial Aid Office at (336) 721-2808 during the hours of 8:30 a.m. through 5 p.m. Monday through Friday. You may also email us at financialaid@salem.edu. You may also visit our website at www.salem.edu/financialaid.

Please contact the Business Office at (336) 721-2613 during the hours of 8:30 a.m. through 5 p.m. Monday through Friday to inquire about your bill/statement, charges, and/or refund checks.
