Summer 2005

Dear Salem Students and Parents:

I would like to tell you about an exciting dining option at the Grille --- Freshens Yogurt and Java City coffee. These feature frozen yogurt, Smoothies, and unique specialty coffees. They compliment the Grille’s existing core menu of upscale deli sandwiches, hot grilled items and healthy salad selections. It is conveniently located in the Salem Commons, where students can have access to data ports, can enjoy television, athletic events and check their mail.

The Grille debit card system was created so students would not have to carry money on campus. This system has been a tremendous success, and I would like to offer you an opportunity to start an account for the 2005-2006 school year. A minimum deposit of $50.00 is required. You may start the account with a larger amount. The cost of the Grille meals will be subtracted from the deposit and a running balance will be kept. The money will remain in the account until graduation or withdrawal from Salem. At this time the remaining balance may be withdrawn. Students who have used The Grille account have found it to be a great convenience.

If you would like to open an account just complete the bottom section of this letter and send it back with a check to the address listed below. It is simple. Open your account today and prepare to enjoy many delicious meals at The Grille.

Sincerely,
Jarvis Graham

Director of Dining Services
